Independent Assessment by Unipol Student Homes October 2011:

"The standard of maintenance and management at the premises was excellent and the landlord had a good relationship with his tenants. The 3 tenants present at the time of the inspection were very satisfied with their accommodation and stated the landlord was very responsive to any of their requests. The tenants interviewed were very satisfied with the standards of accommodation ("best I've ever had") and with the management of the property."

Awarded March 2012:

It goes without saying but it never fails to amaze us how quick you fix\sort all problems. Its outstanding.

Many of our fellow student wait months for this sort of problem to be fixed. In fact in one case it wasn't fixed for several months and they ended up having to book a hotel so they could shower!

We are very grateful and feel very lucky to have found the right landlord!

Thank you!!!!!!!

The landlord waived all cleaning charges. Our tenancy was managed in a considerate, helpful and professional manner from start to finish. I have no hesitation in recommending this service to anyone.
